EXCHANGE BRIEFING

REF: STATE 47311

¶1. (SBU) Polmiloff delivered reftel information on USG plans to make two presentations on Iran at the Information Exchange Meeting (IEM) of the Cape Town Nuclear Suppliers' Group (NSG) Plenary to MFA Senior Advisor for Nuclear Affairs and Nonproliferation Ceta Noland on April 11. Noland said the Dutch NSG delegation is preparing an IEM presentation analyzing short-term and long-term prospects of P1 and P2 hyper-centrifuge systems for Iran. She said the presentation will be a joint effort through the Dutch Ministry of Defense and intelligence services. While the presentation is not yet complete, Noland was hopeful that the Dutch will be able to circulate the briefing prior to the meeting in Cape Town.
